This compiled list of graduates of the Carlisle Indian School from 1889 to 1915 includes the names, Nations, and addresses of Carlisle's graduates from those class years. The compilation year of this document is believed to be circa 1915 based on its end date, and the addresses listed for some students. This list seems to list only those students who received diplomas from Carlisle, as opposed to industrial certificates.

For female graduates, a married name is included. If a graduate was deceased at the time of compilation, this is noted in the list.
