

TRUTH. JUSTICE. HEALING.

JOIN THE
COALITION

The National Native American Boarding School Healing Coalition (NABS) is leading the movement for truth, justice, and healing for Indigenous peoples impacted by U.S. Indian boarding schools. **Be a part of the movement by supporting S.1723.**

THE TIME IS NOW

**NABS is working with Congress to pass S.1723,
a bill to establish a Truth & Healing Commission on
Indian Boarding School Policies in the United States.**

The bi-partisan bill would:

- ◇ **Conduct a full inquiry into the assimilative policies** of U.S. Indian boarding schools, including identifying the locations of children's burial sites, documenting ongoing impacts, and locating church and government records.
- ◇ **Collect testimony from boarding school survivors,** Tribes, and subject matter experts.
- ◇ **Create a findings and recommendations report,** identifying legislative and administrative actions to address the impacts of U.S. Indian boarding schools.
- ◇ **Investigate beyond the limited scope of DOI's Federal Indian Boarding School Initiative** by looking into state, local, religious, and private institutions that operated Indian boarding schools to carry out the assimilative U.S. policy.

Ask your U.S. Senator to support S.1723.
